

**AUTHORIZATION FORM  
FOR LAND MANAGEMENT UNDER THE  
MIGRATORY BIRD REGULATIONS**

The Migratory Bird Regulations allow permits to be issued to a land owner or land manager. The term 'land manager' is interpreted to include:

- a) a person who rents or leases specified lands or properties,
- b) a person who has been **authorized in writing** to act as land manager for the purposes of migratory bird management on specified lands or properties,
- c) a person who is the chair, coordinator, or signatory to a Canadian Wildlife Service approved management plan, including municipalities or other large-scale landowners.

Permits may be granted only on the condition that permission is obtained from the land owner or manager for any activities proposed on private lands.

I, the undersigned designated permit applicant or holder, acknowledge that I will:

- Submit the completed permit application;
- Comply with all conditions and best practices listed on the permit application; and,
- Comply with all conditions listed on the permit including meeting all reporting requirements.

I, the undersigned land owner, manager, or leasee, hereby:

- Attest that the damage and/or danger being caused by migratory birds is serious;
- Authorize the undersigned designated permit applicant/holder to act on my behalf for the purposes of migratory bird Management and/or in support of the implementation of a migratory bird management plan; and,
- Grant permission to the aforementioned permit holder to access my property (specified below) for conducting the permitted activities.
